```
Bbm                    F#                C#       G#

```

```
   And when you ask he ll say that he s okay
Bbm                     F#         C#       G#
   Have you seen how well he pretends

   Laughs out loud before he looks away

Do you want to follow, or let him go alone
    C#              G#                 Bbm     F#
For then, never to know... never to know

For then, never to know
         Bbm     F#    C#     G#
Never to know

The song goes on like that all the time. There are just some variations on the
way the
chords are played (faster, slower, picking, normal...), or the instruments used,
but
```

they are still the same chords.

Hope you like it !!!
