The Untold Battle
Lies Left Untold

[Intro]

Ebm, C#, B, Bb7

[Verse]

Ebm, C#, B, Bb7
in a lying world of hatred
egos reign the unforgiven
lights shine through the darkest places
giving hope to those that need it

Ebm, C#, B, Bb7
Every beat and every moment
struggle through the toughest times
and everyone should be alive
to see this moment come to life

[Pre Chorus]

B, Bb7, Ebm, C#
in this battle that we re fighting
friends and foes are undivided
all align for the great unknown
all we want is just peace in life

[Chorus]

Ebm, C#, B, Bb7
as we fight, as we hold on tight
in this battle, battle for true life
please don t let me go

Ebm, C#, B, Bb7
hearts are broken, lies are spoken
children raped and killed all over
So help me God, lead us now

[Pre-Verse]

Ebm, F, F#, G# (2x)

[Verse]

Ebm, C#, B, Bb7
We crawl, we fall, we bleed, we bruise
all the pain you brought will only say you lose
yeah we fight to live, and we live to fight
and we ll be surviving in this moment of time

Ebm, C#, B, Bb7
We crawl, we fall, we bleed, we bruise
all the pain you brought will only say you lose
yeah we fight to live, and we live to fight
and we ll be surviving in this moment of time

[Pre Chorus]

Ebm, C#, B, Bb7
hearts are broken, lies are spoken
children raped and killed all over
So help me God, lead us now

Ebm, C#, B, Bb7
this is our time to rise above
this is our time to speak our hearts
this is our time to move ahead
this is our time to LEAD THE WAY!
