Verse:

```
Gm           F             Eb
  A moving stream of in formation
       Dm                  Cm
That is calling on the wind
Dm                   Cm    Dm
   The secrets never end
Gm             F                     Eb
 And now they call, they sing, they play
               Dm                   Cm
They dance for you from out of the blue
Dm              Cm    Dm
   What can you do?
```

Chorus:

```
G            Em            Bm            C
  The secret messages are calling to me endlessly
      Bm           C
They call to me across the air
G          Em              Bm              C                 Bm
  The messages across the atmosphere they whisper in your ear
```

```
         C      D      G
They re calling everywhere

Verse:

Gm               F                   Eb
  Where words cascade like rainbows tumbling
         Dm                    Cm
From the sky then I ll be there
Dm             Cm  Dm
  I ll be there
Gm          F                 Eb
  When messages will call to you
             Dm             Cm
Their secrets all around without a sound
Dm                  Cm   Dm
  They re all around

Chorus:

G             Em             Bm             C
  The secret messages are calling to me endlessly
      Bm           C
They call to me across the air
G          Em              Bm               C                 Bm
  The messages across the atmosphere they whisper in your ear
         C      D      G
They re calling everywhere

Gm               F             Eb             Dm               Cm
  Those secret messages that spill into the air from far away
Dm            Cm   Dm
  So far away
Gm                F           Eb                Dm           Cm
  A flowing river of illusion running with confusion, never gone
Dm                cm   Dm
  It goes on and on
