Stranger On a Quiet Street
Electric Light Orchestra (ELO)

Intro: **Em7 Em6 Em7 Em6**

```
Em7                                   Em6
   When all the thrills have been forgotten
Em7                                  Em6
   The chill of night can call them home
Em7                                  Em6
   And all the dreams that you left stranded
Em7                            Em6
   Will slowly start to come along

C                  G
   I felt it as she slipped away (slipped away)
B/C#        B        Em              D
   I didn t have the words to say
C             G
When I saw the stranger
C                 G              Cmaj7     D
   A stranger on a quiet street
G        Em       Bm
Stranger     on a quiet street

Em7                           Em6
   You can go straight as an arrow
Em7                            Em6
   You can go straight as you dare
Em7                              Em6
   Walkin  the old straight and narrow
Em7                      Em6
   Don t always get you there

C                            G
  The sun was shining when I saw it all
        B/C#        B         Em            D
She was moving to a different beat
C             G
  When I met a stranger
