You Say
Elliott Yamin

[Intro] **Bm G D A**
[Verse 1] **Bm G D A**
Maybe it was wrong to say Nothing as you walked away
Baby I know you ve been confused Telling me that it s too late
G A Bm G
I thought you say goodbye for good But you re still here with me
G A A7
How do we get so misunderstood

[Chorus] **Bm G D A**
Cause you say You ain t got time for me Actions speak louder of every word
You try to say You ve rather be all by yourself
G Bm D A
Oh but I can see the way The way you look at me And baby I don t believe
Bm G D A
Believe what you say You say you say

[Verse 2] **Bm G D A**
You know that is cool to look Look the way you do tonight
Girl you know I m onto you Cause something just don t act up right
G A Bm G
No I thought you said you felt unsure Oh but hearts don t lie
G A A7
Cause now you re back at my front door

[Bridge]
G A Bm G
You thought I didn t care I thought you wouldn t stay (I hope we can go further from on this day)
G A
Let s start over again We don t have to pretend
Bm G D A
That it s over it s over

[Ending] **Bm G D A**
Maybe I was wrong to say
Nothing as you walked away
