You Say
Elliott Yamin

[Intro] **Dm Bb F C**
[Verse 1] **Dm Bb F C**
Maybe it was wrong to say Nothing as you walked away
Baby I know you ve been confused Telling me that it s too late
Bb C Dm Bb
I thought you say goodbye for good But you re still here with me
Bb C C7
How do we get so misunderstood

[Chorus] **Dm Bb F C**
Cause you say You ain t got time for me Actions speak louder of every word
You try to say You ve rather be all by yourself
Bb Dm F C
Oh but I can see the way The way you look at me And baby I don t believe
Dm Bb F C
Believe what you say You say you say

[Verse 2] **Dm Bb F C**
You know that is cool to look Look the way you do tonight
Girl you know I m onto you Cause something just don t act up right
Bb C Dm Bb
No I thought you said you felt unsure Oh but hearts don t lie
Bb C C7
Cause now you re back at my front door

[Bridge]
Bb C Dm Bb
You thought I didn t care I thought you wouldn t stay (I hope we can go further from on this day)
Bb C
Let s start over again We don t have to pretend
Dm Bb F C
That it s over it s over

[Ending] **Dm Bb F C**
Maybe I was wrong to say
Nothing as you walked away
