Don`t Let the Sun go down on me
Elton John

[Intro] **C# C#/Bb F#/A C#/G F#/A G#**

```
            C#/G G#7                F#/C  C#   F#/C  C#
I can t light     no more of your darkness
F#             B/F F#                      G#    C#/G  G# C#/G
All my pictures seem to fade to black and white
G#               C#/G G#7                        F#/C    C#   C#7/E
I m growing tired      and time stands still before me
F#           B/F  F#                    G#   C#/G  G#7
Frozen here       on the ladder of my life

G#            C#/G G#7                    F#/C  C#   F#/C  C#
It s too late     To save myself from falling
F#             B/F F#                      G#       C#/G  G# C#/G
I took a chance and changed your way of life
G#            C#/G G#7               F#/C    C#   C#7/E
But you misread my meaning when I met you
F#             B/F F#           C#/G                 G#       F#
Closed the door    and left me blinded by the light

C#                    C#/Bb
Don t let the sun go down on me
Bbm7                                      Eb7/F#
Although I search myself, it s always someone else I see
C#/G                                   F#/G  G#7         C#    C#/Bb
I d just allow a fragment of your life      to wander free
      F#/A                          Ebm  C#/E    F#     C#/G     F#/G   C#
But losing everything is like the sun  go-----ing down  on   me

( C#  C#/Bb  F#/A  C#/G  F#  Ebm )

G#          C#/G G#7                  F#/C  C#   F#/C  C#
I can t find oh the right romantic line
F#             B/F F#               G#    C#/G  G# C#/G
But see me once and see the way I feel
G#            C#/G G#7                        F#/C    C#   C#7/E
Don t discard me (baby no) just because you think I mean you harm
F#            B/F F#                 C#/G                G#       F#
But these cuts I have, oh they need love to help me heal Oh

C#                    C#/Bb
Don t let the sun go down on me
Bbm7                                  Eb7/F#
Although I search myself, it s always someone else I see
C#/G                                 F#/G  G#7             C#     C#/Bb
I d just allow a fragment of your life      to wander free
      F#/A                          Ebm  C#/E    F#     C#/G  F#/G  C#
```

But losing everything is like the sun go-----ing down on me
