Holiday inn
Elton John

```
Eb                          C#              G#
Boston at last and the plane s touching down
Eb                           C#             G#
Our hostess is handing the hot towels around
Fm                     Cm             Bbm   Bbm7
From a terminal gate to a black limousine
Eb                               C#          G#
It s a ten minute ride to the Holiday Inn

Eb                          C#              G#
Boredom s a pastime that one soon acquired
Eb                          C#              G#
Where you get to the stage where you re not even tired
Fm                     Cm             Bbm   Bbm7
Kicking your heels till the time comes around
Eb                           C#            G#    G#/B  G#/C#
To pick up your bags and head out of town

F#                  C#                G#
Slow down Joe, I m a rock and roll man
F#                     C#                 G#      G#/B  G#/C#
I ve twiddled my thumbs in a dozen odd bands
C#                               Eb
And you ain t seen nothing till you ve been
Fm          Eb            C#       G#      F#       Fm    E
In a motel baby like the Holiday Inn

F#                  C#                G#
Slow down Joe, I m a rock and roll man
F#                     C#                 G#      G#/B  G#/C#
