

Cherry Blossoms  
2nd Thought

I love this band and decided to tab out my favorite song off their new album

Verse I

**C Eb C**  
I was struck down, nowhere to go

**Bb F**  
There's someone on the outside, oh Lord I don't know

**C Eb C**  
Can't see clearly anymore

**Bb F**  
Feels like I'm staring down at the floor

**C Eb C**  
'Cause I was drowning in my own creation

**Bb F**  
Run down by my own nation

**C Eb C**  
Falling through the cracks and I can't

**Bb F**  
see 'cause I was looking back

Chorus

**C Bb F Bb B**  
Oh cherry blossoms

**C Bb F Bb B**  
Send your light down to the dark

**C Bb F Bb B**  
Oh freedom stop him

**C Bb F**  
Shall not be allowed to set the spark

Verse II

Took a walk down to the water  
Try to sort out my life  
Looking into the waves

Everything was gonna be alright

Chorus

Oh cherry blossoms

Send you light down to the dark

Oh freedom stop him

Shall not be allowed to set the spark

~Bridge~

Chorus X 2

Oh now cherry blossoms

Send you light down to the dark, Now

Oh freedom stop him

Shall not be allowed to set the spark, no...
