 I ve been out on this road some

Into a giant eating up your town

Called up the tea leaves and the ta - rots

But we stuck around for the fireworks

Shaped our futures, you a tumbleweed

And me on a yellow brick road
             G#m7
Pleasing the people some of the time
           B     C#7
For better or for worse
         Bb7                  Ebm
An urban soul in a fine silk suit
                B        G#/B      C#7
And a heart out west in a Wrangler shirt
```

And you can t go back and if you try it fails

Looking up ahead I see a rusty nail
                     F#                    Ebm
A sign hanging from it saying  Truth for sale
                   B
And that s what we did

VERSE
F#                      B/F     F#
We ve been missing at times in action
                       C#                    Ebm
Can t imagine what he said he might do for you
          B                 F#/A
The devil got to come to the party sometimes
       G#m7          F#/A         C#7
But he never got to wear our shoes
         F#           B/F       F#
Oh we ve conjured up what we created
                          C#                        Ebm
Way back then when I was standing up in six-inch heels
           B         F#/A
Now you re riding off into the sunset
    G#m7                F#/A              C#7
And I m still spinning like a Catherine wheel

BRIDGE
       G#m7
But we stuck around for the battle
        B    C#7
Waiting for a plan
            Bb7                     Ebm
To turn you into the Brown Dirt Cowboy
    B               C#7
And me into a rocket man
                G#m7
```

```
It pleases the people some of the time
        B       C#7
Digging into our roots
            Bb7                 Ebm
But I got a brand new pair of shoes
                B       G#/B        C#7
And you re on a horse in old cowboy boots
```

Chorus

```
                  F#                      Ebm
And you can t go back and if you try it fails
