Set It Off Like Napalm
Emarosa

Standard Tuning
No Capo
Strum Pattern: Down, down, up, up, down, up

Am F C Em
Out of place, put him down, he s all strung out
Am F C
Don t hold your breath for too long, this moments fading out now
Em
Our souls have caught on fire
Am F
Well I don t really wanna walk that line
C
I don t really wanna cross that line
Em Am
Lets make this now or never

F C Em
Fade it out, the storms that I love
Am F C Em
The heat is getting stronger and I plan to take advantage,
Am
No matter what they say
F C Em
The tide is slowly going out tonight

Am F C
Oh god, please open your eyes, it s time to finalize
Em Am
Letâ€™s make this now or never
F C Em Am
Set it off and let it burn
F C Em
Take your form let it be the scariest, let it be most furious.

Am
I am the boy that sets your girl on fire
F C
And when she dances oh she knows it s right.
Em
Well send them all to hell.
