Free Ride by Embrace
Written by Danny McNamara
Chorded by Tim Bates

This is an excellent slow song from the Embrace lads.. The chord pattern
is pretty easy to pick up (as for Dry Kids).

Bb Gm Dm F Bb Gm

I want a free ride just to see what it feels like

Em ... and so on....

believe and if it feels right I m no fool

In the hospital where stretchers are arms and hands
I needed someone who could understand
Although these things they are never planned

Ebmaj7 Bb

I want to feel, something for free

Then repeat verse chord progression....

I want a clear view with nothing there that I can see through
 Cause everybody wants to understand

In the hospital where stretchers are arms and hands
I needed someone who could understand
Although these things they are never planned
I want to feel, something for free
