E|------3-----1-----0-----1-----0- ------------0-------0-----------|
A|----3-----3-----3-----3-----3--- ------3-------3---3---3---------|
G|--2-----2-----2-----2-----2----- ----0-----0-----0-----------0---|
D|0------------------------------- --2-----2---------------0h2-----|
B|------------------------------- 3-------------------------------|
e|------------------------------- -------------------------------|
```

[Verse]

```
        Em                          D(2)
Come on baby, let s get out of this town
        Em                         D(2)
I got a full tank of gas with the top rolled down
          C                                 Bm        G
There s a chill in my bones, I don t want to be left alone
                                          D(2)
so baby you can sleep while I drive
             Em                        D(2)
I ll pack my bag and load up my guitar
      Em                        D(2)
In my pocket I ll carry my harp
           C                         Bm       G
I got some money I ve saved enough to get underway
    C           G                   D(2)
and baby you can sleep while I drive
                 Em                    D(2)
We ll go through Tucson up to Santa Fe
    Em                              D(2)
and Barb ra in Nashville says we re welcome to stay
             C                      Bm         G
I ll buy you glasses in Texas, a hat from New Orleans
           C                  G                D(2)
and in the morning you can tell me your dreams
           A7                                 G           D
You know I ve seen it before, this mist that covers your eyes
            A7                           G           D
You ve been looking for something that s not in your life
     C                                   Bm    G
My intentions are true, won t you take me with you?
    C           G                  D(2)
and baby you can sleep while I drive
```

[Instrumental]

```
Esus    Em      D   D(2)    D
Esus    Em      D   D(2)    D
```

[Verse]

```
Bm      A    D
Oh            is it other arms you want to
Bm    A7  D                    C
hold      you the stranger the lover you re free
          Bm            G
Can t you get that from me?
        Em                          D(2)
Come on baby let s get out of this town
           Em                        D(2)
I ve got a full tank of gas with the top rolled down
             C                          Bm            G
If you won t take me with you, I ll go before night is through
    C           G                  D(2)
And baby you can sleep while I drive
```
