Shores of White Sand - Emmylou Harris

I m 99.99999999% sure that this is right, I ve played it with the video and it sounds perfect. I like to add a few little embellishments, such as hammer-ons, and
pulloffs here and there. :D

Capo 3

```
  F#
  here i go again
               B    F#
  back to that feeling
                Ebm     C#
  of no worthy cause
             F#
  to carry me on

                          F#
 cause my hearts been skipping
                   B   F#
like a flat rock on water
              Ebm    C#
and with each ripple
                F#
the further i m gone

F#           Ebm  C#  B
some say i m sinking
       C#        F#
to the muddy bottom
                Ebm C# B
But somehow i m sailing
    C#              F#
to shores of white sand

*instrumental*
*hum tune of verses here while playing the chords for verses*

             F#
```

```
i feel it raining
                          B    F#
and the crosswinds are changing
             Ebm   C#
blowing my chances
            F#
to make it alone

                      F#
but should you get lonesome
                        B    F#
and your child need a mother
                  Ebm     C#
just look for my traces
                     F#
on shores of white sand

F#            Ebm  C#  B
some say i m sinking
          C#       F#
to the muddy bottom
                Ebm  C#  B
But somehow i m sailing
     C#              F#
to shores of white sand

*instrumental*
*hum tune of verses and play chords for verses here*

yes, some say i m sinking
to the muddy bottom
But somehow i m sailing
to shores of white sand

some say i m sinking
to the muddy bottom
But somehow i m sailing
to shores of white sand
