Here Comes The Rain Baby

```
C#                     G#7
Here comes the rain, baby
                           C#
Guess it s goodbye again, baby
                 C#7          F#              Ebm
For awhile wehad fun, oh, we walked in the sun
        G#7                                     C#
But you never could stand the rain could you baby?

C#                         G#7
See the rain in my eyes, baby
                                 C#
I never could stand goodbyes, baby
                    C#7           F#                 Ebm
For awhile you were mine but the sun can t always shine
        G#7                                     C#
And you never could stand the rain could you baby?

Well, I ve tried to keep the rain from falling
You know I ve tried to keep the rain from falling
It s not the rain in the skies but the rain here in my eyes
That won t ever stop falling baby. Baby
