Let me sleep

```
F#                  B       F#
Walk me through the blindin  snow,
                  B        F#
Take me where the sun won t go-o
Bbm             Ebm    F#
Shallow waters never flow
B            C#
Slowly to the sea

Walk me through the dry hot sand,
Steal my cup but fill my hand
Leave me where the valley can
Rock my soul back to sleep

Ebm               Bbm                Ebm         Bbm
Where the mighty winds lie still, ever silence on the hill
B             F#                B               C#
Cradled by the mountain til the Father welcomes me

And lay me down in the verdent green
At the breast of the mother spring
Ebm               Bbm         B              C#
With a song that I can sing one that I can keep
       Ebm
Let me sleep
