      A     E     A     E     A    B
Woah, woah, woah, woah, woah, woah
    E                          Am
I m crazy, flowing over with ideas
           D7                         G
A thousand ways to woo a lover so sincere
C                                      Am7
Love and hate - what a beautiful combination
B                               E
Sending shivers up and down my spine

D   E                      Am
For every Casanova that appears
   D7                        G
My sense of hesitation disappears
C                                      Am7
Love and hate - what a beautiful combination
B                               E
Sending shivers up and down my spine

Am7                          D
And the lovers that you sent for me
G                          C
Didn t come with any satisfaction guarantee
       Am7
So I return them to the sender
      D
And a note attached will read
 B
 How I love to hate you, I love to hate you,
                                E
I love to hate you, I love to hate you
