      G#     Eb     G#     Eb     G#    Bb
Woah, woah, woah, woah, woah, woah
    Eb                          G#m
I m crazy, flowing over with ideas
           C#7                         F#
A thousand ways to woo a lover so sincere
B                                      G#m7
Love and hate - what a beautiful combination
Bb                              Eb
Sending shivers up and down my spine

C#   Eb                      G#m
For every Casanova that appears
   C#7                        F#
My sense of hesitation disappears
B                                      G#m7
Love and hate - what a beautiful combination
Bb                              Eb
Sending shivers up and down my spine

G#m7                           C#
And the lovers that you sent for me
F#                          B
Didn t come with any satisfaction guarantee
       G#m7
So I return them to the sender
      C#
And a note attached will read
 Bb
 How I love to hate you, I love to hate you,
                                Eb
I love to hate you, I love to hate you
