Verse:   Little man with his eyes on fire

                              Ebm7     C#7
         And his smile so bright

         Bmaj7             C#/A                 Ddim
         In his hands are the toys you gave

                                        Ebm7   C#7
         That fill his heart with delight

         Bmaj7              C#/A
         In a ring stands a circus clown

         Ddim                Ebm7 C#7
         Holding up a knife

         Bmaj7            C#/A
         What you see and what you hear

         Ddim                                  Ebm7 C#7
         Will last you the rest of your life

        Bmaj7         C#7
Chorus: It s sad, so sad

        Ddim                          Ebm7  C#7
        There aint no easy way  round

         Bmaj7          Bb7
         It s sad, so sad

         C#m7               Bmaj7
         All your friends gather round

                   Emaj7
         Cause the circus left town         [Riff]

        Bmaj                C#/A
Verse: Little man with his heart so pure

        Ddim                Ebm7 C#7
        And his love so fine

        Bmaj7                  C#/A
        Stick with me and I ll ride with you

        Ddim                    Ebm7 C#7
        Till the end of the line

        Bmaj7                 C#/A
        Hold my hand and I ll walk with you

        Ddim                     Ebm7 C#7
        Through the darkest night

        Bmaj7                C#/A
        When I smile I ll be thinking of you

        Ddim                          Ebm7
        And everything will be alright

         Bmaj7         C#7
Chorus: It s sad, so sad

         Ddim                        Ebm7  C#7
         There aint no easy way  round

         Bmaj7          Bb7
         It s sad, so sad

         C#m7               Bmaj7
         All your friends gather round

                   Emaj7
         Cause the circus left town           [Riff]

         Bmaj7         C#7
Chorus: It s sad, so sad

Outro : Verse chords!

Enjoy it! I found the other versions really confusing, so I decided to tab down the way I play it , including the little riff. Have fun playing it but just before , listen to the song (Pilgrim album track 6) to get the chords place right because I think it s a pretty hard one to play , so enjoy it!
