

Surround Me With Your Love

3-11 Porter

Gm F C

Hello

Can you hear me

Please don't go

Where are you going

Conversations go over my head

Isolation has an ugly face

Surround me with your love

Understand me I need you now

Surround me with your words

Understand me I need your love

I need your love

I need your love

Gm F C

Hello, I'm so lonely

And it feels like disease

Come and stay, stay beside me

Stay always forever don't go

Surround me with your love

Understand me I need you now

Surround me with your words

Understand me I need your love
