Hello
Can you hear me
Please don t go
Where are you going
Conversations go over my head
Isolation has an ugly face
Surround me with your love
Understand me I need you now
Surround me with your words
Understand me I need your love
I need your love
I need your love

G#m F# C#

Hello, I m so lonely
And it feels like disease
Come and stay, stay beside me
Stay always forever don t go
Surround me with your love
Understand me I need you now
Surround me with your words
Understand me I need your love
