IT S A SMALL WORLD by SHERMAN and SHERMAN

[Verse]
```
       A                    E7
It s a world of laughter, a world of tears;
       E7                   F#dim  A
It s a world of hopes and a world of fears,
        A               A7               D            Bm7
There s so much that we share, that it s time we re a-ware
       E7                A
It s a small world after all. ____
```

[Chorus]
```
A                  E7         E7                  A
It s a small world after all, It s a small world after all,
       A7          D     Bm7         E7           A
It s a small world after all, It s a small, small world.___
```

[Verse]
```
         A                      E7
There is just one moon and one golden sun
      E7                       F#7 A
And a smile means friendship to ev--ry one.
           A             A7          D          Bm7
Though the mountains div-ide and the oceans are wide,
       E7                A
It s a small world after all. ____
```

(CHORUS - repeated twice)
