Away From Me
Evanescence

```
Fm         C#                    C7                Fm
I hold my breath as this life starts to take its toll
                   C#           C7              Fm
I hide behind a smile as this perfect plan unfolds
    C#          Bbm
But oh, God, I feel I ve been lied to
 C                       C7
Lost all faith in the things I have achieved

    Fm          C#           G#
And I ve woken now to find myself
                   D#                 Fm
In the shadows of all I have created
            C#              G# G
I m longing to be lost in you (away from this place I have made)
                              Fm
Won t you take me away from me

Crawling through this world as disease flows through my veins
I look into myself, but my own heart has been changed
I can t go on like this
I loathe all I ve become

Bbm       F/A           Fm/Ab                C/G
Lost in a dying world I reach for something more
  Bbm            C/G           C7
I have grown so weary of this lie I live
