CAPO = 2. fret

```
  D                                            Em      A         Hm     C Hm
When he hears that fire-bell chime, Fireman Sam is there  on time ...

  D                                            Em      A         Hm
                                A       Hm
 Putting on his coat and hat,  in less than seven   seconds flat.

                D              Hm         G       A
          He s always on the scene.      Fireman Sam!
                D              Hm         G       A
 And his engine s bright and clean.      Fireman Sam!
                C#m   D        Hm         E         A
       You can not ignore,    Sam is the hero next door.

  D                                           Em      A       Hm     C Hm
Driving down the busy  streets,  greeting people that he meets ...
  D                                           Em      A       Hm
Someone could be  in  a jam,  so,  hurry  hurry   Fireman Sam.

                D              Hm         G       A
          So move aside, make way..      Fireman Sam!
                D              Hm         G       A
      Cos he s gonna save the day..      Fireman Sam!
                C#m   D        Hm         E         A
    He s the one we adore.    Sam is the hero next door.
