This songs sounds hard at points, but guess what?
I have a surprise for you.....IT REALLY ISN T!

Just hold on here and I will show you how it goes...

On the intro, PM a G5 power chord on the low e.
So, it goes...

G5 G5 G5 G5 G5 G5 G5 YEAH! **G5 G5 G5 G5 G5 G5 G5 G5** OHH YEAH! And so on.

The verses sound like they are hard riffs...
but they aren t! it s just chords, with random
notes picked. Here are the chords in order!

G5, B5, C#5

And here is the totally wicked chorus! (be sure to sing along!)

G5, B5, E5, C5

That s all. I am fo real yo! Now go play it and make
your mother proud!

Email me with any questions! Goodbye.====
