Gone For Good
Everlast

I m not positive on the chorus but the verse is definitely correct.

Capo on the 2nd.

Intro: **B F# Bb7 B**

```
        B                       F#
I got a dopefiend lean, I got a cocaine pain,
        Bb7                     B
I got a Vicodin itch and I got shit for brains.
      B                      F#
Got a hard luck woman, got a few good friends,
      Bb7                            B
Got a couple nice hustles that ll get you some ends.
       B                    F#
Got an old man s soul, got a heart of gold,
      Bb7                       B
Got a brand new shovel dig me outta this hole.
       B                       F#
Got a whole lot of nothin, I m ready to give,
         Bb7                            B
I need a whole lot of lovin girl I m eager to live.
        B                   F#
It goes one for the money, two for the show,
        Bb7                      B
I got a one trick pony you can ride her slow.
            B                       F#
Cause she s good to go and when I m gone for good
        Bb7                    B
I ll be unappreciated and misunderstood.
      B                    F#
Got a brand new bag, got a brand new style,
      Bb7                       B
