Letra:

I m about to be on the floor again, surely you re gonna find me here
I m about to sleep until the end of time, drug I take gonna wake my fear right
now

I m passing away on to the better life
I m passing away on to the better

I m about to see just how far I can fly, surely your gonna break my fall
I m about to run as fast as I can, head long into that wall this time

(Refrão)

On to the better life
On to the better

I m about to be on the floor again, surely you re gonna find me here
I m about to sleep until the end of time, drug I take gonna wake my fear right
now
