

Citizen-Soldier
3 Doors Down

It s my first tab, I think the chords are the right ones but tell me if I m wrong.

[Intro]

C#m E F#m
Beyond the boundaries of your city's lights,
C#m E F#m
Stand the heroes waiting for your cries.
C#m E F#m
So many times you did not bring this on yourself,
C#m E F#m
When that moment finally comes, I'll be there to help.

C#m E A F#m C#m E
On that day when you need your brothers and sisters to care,
A F#m
I ll be right here.

[Chorus]

C#m E A F#m C#m E A
Citizen soldiers holding the light for the ones that we guide from the dark
F#m
of despair.
C#m E A F#m
Standing on guard for the ones that we sheltered,
C#m E A F#m C#m
We ll always be ready because we will always be there.

When there are people crying in the streets,
When they re starving for a meal to eat,
When they simply need a place to make their beds,
Right here underneath my wing,
You can rest your head.

[Chorus]

There... there... there...

Hope and pray that you ll never need me,
But rest assured I will not let you down.
I ll walk beside you but you may not see me,

The strongest among you may not wear a crown.

On that day when you need your brothers and sisters to care,
I ll be right here!

On that day when you don t have the strength for the burden you bear,
I ll be right here!

[chorus]
