

**Citizen-Soldier**  
**3 Doors Down**

It s my first tab, I think the chords are the right ones but tell me if I m wrong.

[Intro]

**C#m** **E** **F#m**  
Beyond the boundaries of your city s lights,  
**C#m** **E** **F#m**  
Stand the heroes waiting for your cries.  
**C#m** **E** **F#m**  
So many times you did not bring this on yourself,  
**C#m** **E** **F#m**  
When that moment finally comes,I ll be there to help.

**C#m** **E** **A** **F#m** **C#m** **E**  
On that day when you need your brothers and sisters to care,  
**A** **F#m**  
I ll be right here.

[Chorus]

**C#m** **E** **A** **F#m** **C#m** **E** **A**  
Citizen soldiers holding the light for the ones that we guide from the dark  
**F#m**  
of despair.  
**C#m** **E** **A** **F#m**  
Standing on guard for the ones that we sheltered,  
**C#m** **E** **A** **F#m** **C#m**  
We ll always be ready because we will always be there.

When there are people crying in the streets,  
When they re starving for a meal to eat,  
When they simply need a place to make their beds,  
Right here underneath my wing,  
You can rest your head.

[Chorus]

There... there... there...

Hope and pray that you ll never need me,  
But rest assured I will not let you down.  
I ll walk beside you but you may not see me,

The strongest among you may not wear a crown.

On that day when you need your brothers and sisters to care,  
I ll be right here!

On that day when you don t have the strength for the burden you bear,  
I ll be right here!

[chorus]
