Verse 1:
```
Dm           C
  Open up my eyes
                Gm
flooded with daylight
                  F
Another sleepless night
turns color black and white
Dm                          C
  With all the things I ve said
                 Gm
There is just regret
                F
repeating in my head
```

Interlude: Cm--Bb--Fm--Eb

Verse 2:
```
Dm             C
  Hands into a fist
             Gm
static in my head
                F
Now I m sitting face to
face with loneliness
Dm             C
```

```
  What did I expect?
             Gm      F
Did I see forever in you?

Chorus 1:
Bb       Dm
  I never wanted it to
F                 Gm
hurt more than it should
Bb             Dm
  I hope you re satisfied
F        Gm
  I never could

Verse 3:
Dm                 C
  Time to close my eyes
                  Gm
forget about this mess
                    F
And try to fix this tragic
loss of innocence
Dm                   C
  But how could I forget the
                Gm
things I have inside
                   F
When everything is dead?

(Repeat Chorus 1)

Chorus 2
Bb              Dm
  Can t you see you
       F          Gm
left me here on my own
Bb            Dm
  Give me one good reason
F             Gm
  why I should let go

Bridge:
Dm        Bb                 Dm
  With my hands around your neck
Bb
Who will stop me now?
(Repeat twice)
```

```
Dm
  With my hands around your neck
Who will stop me now?
(Repeat Twice)

                  Dm
Who will stop me now!!!
F                Bb
Who will stop me now!!!
F                Dm
Who will stop me now!!!
F                Bb
Who will stop me now!!!
F                Dm
Who will stop me now!!!
F                Bb
Who will stop me now!!!
F                Dm
Who will stop me now!!!
F                Bb    F
Who will stop me now!!!

(Repeat Chorus 1 and Chorus 2)

End on G#(hold)
