[Verse 1] **F C Eb Bb**
we found him by the roadside
nothing to him but his name
he struggled to his feet, withered from the heat
cussing at the street

i don t want your help
i just want to know where i am
then he slowly looked around
recognized the town then he laid back down

[Chorus] **C F G G# Eb Bb**
if you think I m the devil
its only because i live in hell
if your looking for trouble
you found it because i live in hell

[Verse 2] **F C Eb Bb**
when she walked into the courthouse
even her blouse was still wet
he took one look at her face
certain of the case, a horrible disgrace

i don t want your mercy
or want you to know why I m here
then she told him of the pain
the horrible refrain of a life in chains

[Chorus] **C F G G# Eb Bb**
if you think I m the devil
its only because i live in hell
if your looking for trouble
you found it because i live in hell

[Bridge] **F G G# F C Bb G# C Bb**
now I m standing right in front of you
and the only thing i can put through

is to show you that I m not what you think i am

[Chorus] **C F G G# Eb Bb**
so if you think I m the devil
its only because i live in hell
and if your looking for trouble
you found it because i live in hell

[Ending] **G# Eb Bb**
I live in hell[2x]
