I hear they re building casinos
A few miles from my old house
I think I ll take all my money, And see if
I can figure it out

G#m F# C#
So I sold my guitar
It s no use to me
If I can t be a star, Well I will
be the next best thing

Ebm C# G#m B
I thought by now that I would be your
king and you d be my queen
I thought by now the world would have
stopped just to notice me

Ebm C# G#m B
Maybe I ll join the navy
Get sent to attack
Why would I fight for a country, That doesn t
even have my back

G#m F# C#
So I sold my car
It s no use to me
Wherever you go, there you
are and you aren t with me

Ebm C# G#m B
I thought by now that I would be your
king and you d be my queen
I thought by now the world would have
stopped just to notice me
