Pencils In The Wind Tape Of Love
Flight of the Conchords

Consider this an addition to a pre-existing tab created by CougarCarlson, who made some minor errors, but nonetheless captured the overall mood and basic chord
sequence of the song.

```
G           G/F#              Em7    Am
    Life is like retractable pencils,
                     Am7               D    Dsus4
if you push it too hard, it s gonna break.
```

...

It is more or less the same chord sequence throughout. To give some sort of timing perspective, if you don t have a copy (although why you would want to play
it in this case, I m not sure), here s a handy time guide:

Tempo: 70bpm (Folk The World tour) 77bpm (TV Series)
4/4 Time
L: Lyrics

|**G**| |**G/F#**| |**Em7**| | | |**Am**| |**Am7**|

Chords:

Em:	022033
Am:	x02210
