Misc Unsigned Bands

```
A              E
we can go to frozurt
Dadd9
saturday at two
A              E                                  Dadd9
and we can ride our bikes down there cause day light fades so soon
A              E
and we can go to frozurt and i ll wear that sweater too
Dadd9
as you smile insecurely shows the inner truth
F#m      Dadd9
and I, I m fallin deep for you
F#m      Dadd9
and I, I m so in love with you.

(repeats!)
and we can go to Frozurt just as friends so screw,
all of the awkwardness oh, what s the use
and you ll hold my hand just like the movies too
and you ll say I love you the same way as I do

F#m      Dadd9
and I, I m fallin deep for you
F#m      Dadd9
and I, I m so in love with you.
        A
I love you
