You Wont Make A Fool Out Of Me
Flogging Molly

Fixed the chords so they sounded good to my ear and added what I think the intro part is

----- Intro -----
The notes in progression are:

C Bb A G F G A

Chords that kinda sound good with the song:

C G(muted) **C**
Bb F
C G(muted) **C**
Bb F
C G(muted) **C**
Bb F
Bb F F(with **E** root)

----- Verse -----

D
Write these words for a lost inspiration
G
Ain t that a barrel full of laughs
D
Work you arse to put the crumbs on the table
G
But they fall hungry on your lap
Bb F
Whatever became of the seed
Bb F
That once grew in your hand
Bb F
And the dirt where you fingers did bleed
Bb C
Has all rushed to your head

----- Chorus -----
F
But you won t
Bb F DM
No no no you won t
Bb C F
You won t make a fool out of me

----- Intro -----
C G(muted) **C**

```
Bb F
C G(muted) C
Bb F  F(with E root)

----- Verse -----

D
Purse strings break they re not made of elastic
                           G
And I m no puppet on your shelf
D
You won t sing when this singer is songless
                             G
I m not a notch on your fat belt
Bb                 F
For green is the heart of your greed
Bb              F
That much I can tell
Bb                         F
You may think you re the captain of me
Bb                             C
But I m your coffin ship from hell

----- Chorus -----
           F
 But you won t
Bb  F         DM
No no no you won t
     Bb            C          F
You won t make a fool out of me
Bb  F         DM
No no no you won t
     Bb            C          F
You won t make a fool out of me

----- Bridge -----
    Bb                     Dm
So I ll drag these bones across the Earth
         F                C
With the dead I ll never sleep
          Bb                Dm
Where I ll haunt you for a thousand years
        F                    C
Without breath you ll never breathe
        D D   D    D     Bb    Bb    Bb
For an empty shell your grave will fill
F           C
Alas for evermore

----- Chorus -----
          F
 But you won t
```

```
Bb  F          DM
No no no you won t
     Bb            C
You won t make a fool out of

----- Interlude -----

G   D
G   D
G   D
C   D

----- Intro -----

C G(muted) C
Bb F
C G(muted) C
Bb F  F(with E root)

----- Verse -----

D
Bite the hand that fed you for nothing
                          G
Get that monkey off your back
D
Empty lies bring false celebrations
                           G
That s not my meaning of success
Bb                 F
For green is the heart of your greed
Bb                C
That much I can tell

----- Chorus -----
          F
And you won t
Bb  F          DM
No no no you won t
     Bb            C          F
You won t make a fool out of me
          F
Said you won t
Bb  F          DM
No no no you won t
     Bb            C          F
You won t make a fool out of me
          F
Said you won t
Bb  F           DM
No no no you won t
      Bb           C          F
You won t make a fool out of me
```
