```

See that firmly and not in dismayed. Im never broken and Im not afraid

Refrão:

```
D          A          B          F#
So come with me lets take this world and make a change
D          A          E
And well give this more than we can take away
D          A          B          F#
And well see this through eyes we always thought were blind
G          C#
If we could find just one light to shine.
```

(Intro Guitarra 1 e 2)
