

**Round And Round
3 Doors Down**

Round and Round - 3 Doors Down

Intro: **Bm, G, A, Bm**

Bm

There s one who takes it all

G

And there s one who takes the fall

A

One who never wins

Bm

And there s one who stands again

Bm

There s one who lives in pain

G

And there s one who has no shame

A

There s one to tell the lies

A A D A D A D

And one to make the alibis

Bm

Round and round and round and round we go

A A D A D A D

Where we re gonna stop nobody knows

G

Bm

There s one who makes the rules

G

And there s one to play the fool (Always a fool)

A

One with jealous hands

Bm

And there s one to be the friend (Everybody needs one)

Bm

There s one who wins the fight

G

And there s one who sleeps at night

A

There s one who will stand tall

A D A D A D

But we will all fall

Bm

Round and round and round and round we go

A Bm

Where we re gonna stop nobody knows

Bm

G

Something s wrong, I feel it in my soul

A **A D A D A D**

Round and round and round and round we go

Bm **G**
Just to find a way, just to find a way out

A
To find a way, just to find a way out

Bm
To find a way, just to find a way out for me...

Bm **G**
Just to find a way, just to find a way out

A
To find a way, just to find a way out

A D A D A D
To find a way, just to find a way out for me...

Bm **G**
Round and round and round and round we go (To find a way, just to find a way)

A **Bm**
Where we re gonna stop nobody knows (To find a way, just to find a way)

Bm **G**
Something s wrong, I feel it in my soul (To find a way, just to find a way)

A **A D A D A D**
Round and round and round and round we go (Out for me)

Bm **G**
Round and round and round and round we go

A **Bm**
Where we re gonna stop nobody knows (Where we re gonna stop nobody knows)

Bm **G**
Something s wrong, I feel it in my soul

A **A D A D A D**
Round and round and round and round we go

Bm (sustain)
Just to find a way, just to find a way out

Bm
To find a way, just to find a way out

Bm
To find a way, just to find a way out for me...
