Fully Alive
Flyleaf

```
F#m                                E
Telling Layla s story spoken
D                                        A
 Bout how all her bones are broken
F#m                                  E
Hammers fall on all the pieces
D                                    A
Two months in the cover creases

F#m
Fully alive
More than most
E
Ready to smile and love life
D
Fully alive and she knows
A
How to believe in futures

F#m                                      E
All my complaints shrink to nothing
D                                      A
I m ashamed of all my something s
F#m                                     E
She s glad for one day of comfort
D                                   A
Only because she has suffered

F#m
Fully alive
More than most
E
Ready to smile and love life
D
Fully alive and she knows
A
How to believe in futures

F#m
Fully alive
More than most
E
Ready to smile and love life
D
Fully alive and she knows
A
How to believe in futures
```
