Tuning: Standard

This song and You Won t Relent are kinda one long song. However, this song is pretty easy, with just three chords. It starts off with the same chords as You Won t Relent, (**C#m**, **E**, **A**, **F#m**) then goes **A** cappella for **A** minute, then kicks in with these chords.

Verse 1:
A E B A E B
All-consuming fire You re our heart s desire.
A E B A E B
Living flame of love come baptize us, come baptize us.

Verse 2:
A E B
Let us fall more in love with You.

Bridge:
A
We wanna know how high, how deep, how wide is
E B
Love Love Love.

It goes:
V1 x2 with You Won t Relent Chords
V1 a cappella
V1
V2 x4
