Intro : **B**

```
B                 G#
I only wanna seem good
                F#    E
In front of the right people
B                          G#
My aura s yellow like a co-ward
E                       G#
Tonight, I m gonna melt some faces
B                       E
With Gatling gun social skills

We dance to the beat
G#
Whatever sound comes out anyway
   B       E                 F#
So why not kill, someone you hate
B                           G#
When the cactus are in full bloom
          F#               E
I m gonna ask you to be my wife
B                                 G#
When it s cold enough to see your breath
    F#                           E
I m taking the only thing that s mine
                                G#
But first, I m gonna melt some faces
B                       E
With Gatling gun social skills

Dance to the beat
G#
Whatever sound comes out anyway
F#             E
So why can t I kill
Someone I hate
```
