Brave Sir Robin
Monty Python

```
Dm                          A7             Dm
Bravely bold Sir Robin rode forth from Camelot
Dm                       C            F
He was not afraid to die, oh brave Sir Robin
F             C                F               C
He was not at all afraid to be killed in nasty ways
Dm     C      F                C        A7
Brave, brave, brave, brave Sir Robin

Dm                                          A7            Dm
He was not in the least bit scared to be mashed into a pulp
Dm                              C              F
Or to have his eyes gouged out and his elbows broken
F                    C             F           C
To have his kneecaps split and his body burned away
        Dm        C          F                  C       A7
And his limbs all hacked and mangled, brave Sir Robin

      F                      C
His head smashed in, and his heart cut out
        F                      C
And his liver removed, and his bowels unplugged
        F                       C
And his nostrils raped, and his bottom burned off
        F
And his penis ...
```

****

```
Dm               A7   Dm
Brave Sir Robin ran away,
Dm            A7    Dm
Bravely ran away, away
     F                  C              Dm                  A7
When danger reared its ugly head, he bravely turned his tail and fled
     F               C                 Dm            A7
Yes, brave Sir Robin turned about and gallantly, he chickened out
  Dm     C     Dm     C       Dm     C     Dm       C
Bravely taking to his feet He beat a very brave retreat
F       Gm     C            F     A7
Bravest of the brave, Sir Robin
F       Gm     C            F
Bravest of the brave, Sir Robin
```
