Tuning:D A D G

Intro

```
G|-------------------------------------------------------------------------------|
D|-------------------------------------------------------------------------------|
A|-------------------------0-----------------------------------------------------|
D|-3-2-3-2-3--2-3-2-3-2-3---3--7-7-7-----------------------------------------|
```

Part 1

```
G|-------------------------------------------------------------------------------|
D|-------------------------------------------------------------------------------|
A|-0-2-0-3-00-5-0-6-777----16 times-----------------------------------------|
D|-------------------------------------------------------------------------------|
```

Part 2

```
G|-------------------------------------------------------------------------------|
D|-------------------------------------------------------------------------------|
A|-0-3-0-3-0-5-3-------------------------------------------------------------|
D|-------------------------------------------------------------------------------|

G|-------------------------------------------------------------------------------|
D|-------------------------------------------------------------------------------|
A|-0-3-0-3-0-----------------------------------------------------------------|
D|-------------------------------------------------------------------------------|

G|-------------------------------------------------------------------------------|
D|-------------------------------------------------------------------------------|
A|-0-3-0-3-0-5-3-------------------------------------------------------------|
D|-------------------------------------------------------------------------------|

G|-------------------------------------------------------------------------------|
D|-------------------------------------------------------------------------------|
A|-0-3-0-3-0-----------------------------------------------------------------|
D|-------------------------------------------------------------------------------|

G|-------------------------------------------------------------------------------|
D|-------------------------------------------------------------------------------|
A|-0-3-0-3-0-543-0-3-0-3-0---------------------------------------------------|
D|-------------------------------------------------------------------------------|
```

Repeat part 1 and then part 2 .

| / slide up
| slide down

```
| h  hammer-on
| p  pull-off
| ~  vibrato
| +  harmonic
| x  Mute note
```
