Everything Happens To Me
Frank Sinatra

```
Bm                  G9              Bm               G7
Black cats creep across my path until I m almost mad;
   Bm         F#         G9
I must have roused the devil s wrath
        Bb7           A
 Cause all my luck is bad.
Melody:
  Em9              A9              F#m7                Gdim
I make a date for golf, and you can bet your life it rains;
 Em7             A             Am6               B7
I try to give a party, and the guy upstairs complains.
   Em7              C#m5-/7             F#7                 Bm7
I guess I ll go thru life just catching colds and missing trains -
Em7         A7        D6
Ev rything happens to me.
   Em9          A9                  F#m7            Gdim
I never miss a thing - I ve had the measles and the mumps,
     Em7        A                Am6             B7
And ev rytime I play an ace, my partner always trumps.
   Em7            C#m5-/7          F#7               Bm7
I guess I m just a fool who never looks before he jumps -
Em7        A7          D
Ev rything happens to me.

    Am7                    D7                    G9           G6
At first my heart thought you could break this jinx for me,
      Am7                 D7              G9     G6
That love would turn the trick to end despair;
     G#m7             C#7                 F#           F#6
But now I just can t fool this head that thinks for me -
       Bm7     F#     Bm5-/7   E7      Em7       A7
I ve mortgaged all my castles in the air
      Em9             A9                  F#m7             Gdim
I ve telegraphed and phoned, and sent an airmail special, too;
      Em7              A                 Am6           B7
Your answer was  Good bye  and there was even postage due.
  Em7               C#m5-/7            F#7            Bm7
I fell in love just once, and then it had to be with you -
Em7         A7         D    D7M    B7
Ev rything happens to me,
Em7         A7         D
Ev rything happens to me.
