             B    G#m       C#m           F#
Don t know why, there s no sun up in the sky,
             B  G#m7
stormy weather.
C#m7              F#       B        G#m7
Since my gal and I     ain t together...
C#m7                F#    B    G#m7 C#m7  F#
keeps raining all the time.
           B (C7)G#m7      C#m7         F#
Life is bare, gloom and misery everywhere,
       B       G#m7
stormy weather.
C#m7               F#     Ebm7    B      G#m7
Just can t get my poor old self together.
C#m7         F#    B    F# B
I m weary all the time.

CHORUS:
E             Em                                B
When she went away the blues walked in and met me.
   E         Em                                  B
If she stays away, that old rocking chair will get me.
    E       Em                           B
All I do is pray the Lord above will let me,
G#m7         C#m           F#
walk in the sun, once more.

#2.
         B           C#m7              F#
Can t go on, everything I have is gone,
        B
stormy weather.
C#m7              F# (Ebm7)     B      G#m7
Since my gal and I    ain t together.
C#m7           F#       B     G#m7
Keeps raining all the time...
C#m7           Em  F#       B
keeps raining all the   time.
