Dancing Fool
Frank Zappa

Dancin Fool - Frank Zappa
Intro : 8 maten A

```
G7sus                                     G7
Don t know much about dancin
G7sus                                     G7
That s why I got this song
G7sus                          C
One of my legs is shorter than the other
Bb                                     G#
 N  both my feet s too long
D7                                        G
 Course now right along with  em
Cm7                          F
I got no natural rhythm
        A                      B
But I go dancin  every night
A                                            B
Hopin  one day I might get it right
             B       A E                      B         A E
I m a dancin  fool,       I m a  Dancin  fool     (2x)
           A
(6/4) I hear that beat; I jump outa my seat,

But I can t compete,  cause I m a
            B        A E              B          A E
(4/4)Dancin  fool, I m a Dancin  fool
          G7sus                  G7
The disco folks all dressed up
G7sus                          G7
Like they s fit to kill
    G7sus                 C
I walk on in  n  see  em there
Bb                                        G#
Gonna give them all a thrill
 D7                                  G
When they see me comin
Cm7                       F
They all steps aside
           A                        B
They has a fit while I commit
           A             B
My social suicide,

 I m a

Dancin  fool, I m a Dancin  fool
```

The beat goes on And I m so wrong

The beat goes on And I m so wrong

The beat goes on n I m so wrong

The beat goes on n I m so wrong

The beat goes on n I m so wrong

I may be totally wrong, but I m a

Dancin fool, I m a dancin fool

Youwsa, youwsa, youwsa

I got it all together now

With my very own disco clothes, hey!

My shirt s half open, t show you my chains

 N the spoon for up my nose

I am really somethin

That s what you d prob ly say

So smoke your little smoke

Drink your little drink

While I dance the night away

 I m a Dancin fool, I m a Dancin fool, (etc., etc.)

I may be totally wrong, but I m a

I may be totally wrong, but I m a

I may be totally wrong, but I m a
FOOL-uh!

Hey darlin ...can I buy ya a drink?

Lookin for Mister Goodbar? Here he is...

Wait a minute...I ve got it...You re an Italian!

Hah?Yer Jewish?

Love your nails...you must be a Libra...

Your place or mine?
