Melt
Mystery Jets

Hi guys. My second Mystery Jets Tab. Sorry if there are any mistakes but it seems
okay to me. Enjoy! :)

```
            Eb                        C#
There s an invisible line where your body
               Fm                        G#
meets mine and crossing it feels like a drug,
   Eb                      C#
We twist and we turn, we crackle and burn
       Fm                        G#
In the flickering flames of our love
     Eb                        C#
It s one so divine, it sends shivers up my spine
    Fm                       G#
and boils and bubbles in my blood

                C#                                Eb
 Cause when you come around the house at night darling,
        C#                         Eb
There s just one thing I want to do
               C#                                Eb
Yeah, when you come around the house at night darling
        C#                       Eb
There s just one thing I wanna do

                   G#           Cm                C#
All I wanna do is melt, melt, melt, melt into you
G#           Cm               C#      C#m
Melt, melt, melt, melt into yooooooou

Fm

    Eb                          C#
I m weak at the knees and the air that I breathe,
   Fm                          G#
so thick you could cut with a knife,
   Eb                          C#
As time starts to slow, your skin comes aglow
        Fm                         G#
and the room becomes flooded with light,
         Eb
When the dream melts away,
    C#                   Fm                          G#
the lines on your face appear like cracks in the ice
```

```
         C#                                Eb
When you come around the house at night darling,
        C#                        Eb
There s just one thing I wanna do
                 C#                      Eb
Yeah, and you re all that I care about darling,
      C#                       Eb
Don t care about nothing but you

                   G#           Cm              C#
All I wanna do is melt, melt, melt, melt into you
G#           Cm              C#     C#m
Melt, melt, melt, melt into yooooooou
                   G#           Cm              C#
All I wanna do is melt, melt, melt, melt into you
G#           Cm              C#     C#m
Melt, melt, melt, melt into yooooooou

Fm                      C#
This is what I ve been waiting for
Fm                      C#
This is what I ve been waiting for
Fm             C#
Melt with me into the floor
Fm                      C#
This is what I ve been waiting for
I ve been waiting for
I ve been waiting for
     Fm                     C#
Yeah this is what I ve been waiting for,
I ve been waiting for, I ve been waiting for

G#           Cm              C#
melt, melt, melt, melt into you
G#           Cm              C#     C#m
Melt, melt, melt, melt into yooooooou
                   G#           Cm              C#
All I wanna do is melt, melt, melt, melt into you
G#           Cm              C#     C#m
Melt, melt, melt, melt into yooooooou
```
