Intro Solo 1 Medley

Verse 1
```
                      A
Sitting on a half drunk mason jar
                      E
Strumming on a half strung box guitar
                      D
I dont care if we make it too far
                      A
Cuz I like it just fine right where we are
                      A
Dirty work boots for my soap box
                      E
Underneath there are holes in my mismatched sox
                      D
Sitting on the porch with a drink on the rocks
                      A
Singing bout the girl with the golden locks
```

Chorus

```
  A
It goes Hey Hey Baby
  E
Thats what Im talking about
  D
Hey Hey Baby
  A
Turn around
```

```
  A
Hey Hey Baby
  E
Thats what Im talking about
  D
Hey Hey Baby
  A
Dont walk out

Solo 2

Verse 2
                      A
Sometimes I feel like Im running in place
                      E
I cant seem to get ahead of this rat race
                      D
Thats when I drift away to a special place
                      A
With a touch of your hand and smile on your face

Repeat Chorus

Bridge
  F#
You know what you want but
  A
You dont know what you need
  E
You wanna be tied up
  D
You wanna be set free
  F#
When life gets tough
  A
You wanna run away
  E
I need to let you go
  D
I wanna make you stay

Solo 3

Guitars are clean w drum break (march)

Repeat Verse 1

Outro
