PROMISES

Standard Tuning

Intro/Verse

```
|-------------------------------------|
|-------------------------------------|
|-------------------------------------|
|-------------------------------------|
|-9-9-12-9-9-12-9-9-12-9-9-9-12-12-8-|
|-------------------------------------|
```

Not the right rhythem, but you can figure that out with the song. Notes are correct, though.

Chorus: Ian (More important, if you only have one guitarist always play Ian s part.)

```
|----------------------------|
|----------------------------|
|----------------------------|
|-4-4-4-4-4-x-x-x-7-7-7-7-6-|  x3 Then
|-4-4-4-4-4-x-x-x-7-7-7-7-6-|
|-2-2-2-2-2-x-x-x-5-5-5-5-4-|

|----------------------------|
|----------------------------|
|----------------------------|
|-4\7//4\7//4\7//4\7//4-|
|-4\7//4\7//4\7//4\7//4-|
|-2\5//2\5//2\5//2\5//2-|
```

Chorus: Guy

```
|-----------------------------------|
|-----------------------------------|
|-----------------------------------|
|-11-11-11-11-x-x-x-14-14-14-14-13-|  x3 Then
|-9--9--9--9--x-x-x-12-12-12-12-11-|
|-----------------------------------|
```

Feel free to spice these chords up. Guy does live. I personally like minor 7ths, but

just me.

```
|-------------------------------|
|-------------------------------|
|-------------------------------|
|-------------------------------|
|-9\12//9\12//9\12//9\12//9-|
|-------------------------------|
```

Bridge:

```
|---------------|
|---------------|
|---------------|
|-4-4-4-2-2-6-6-|  Once again, Guy plays this an octave up.
|-4-4-4-2-2-6-6-|
|-2-2-2-0-0-4-4-|
```

Then,

```
|------------------------|
|------------------------|
|------------------------|
|------------------------| Guy plays this an octave up. Again. But this
|------------------------| part sounds really good with the octaves, now s
|-2---0-0-2-2h3p2~-0-0-0-| The time to pust out your octave pedal.
```

Followd by:

```
|---------------------------------|
|---------------------------------|
|---------------------------------|
|--------------------------7-------|
|-9-9-9-9-9-9-9-9-9-9-9-9---9-7-9-|
|---------------------------------|
```

Finally,

Outro: Ian

```
|---------------------------------|
|---------------------------------|
|---------------------------------|
|-4-4-4-4-6-6-6-6-7-7-7-7-9-9-9-9-|
|-4-4-4-4-6-6-6-6-7-7-7-7-9-9-9-9-|
|-2-2-2-2-4-4-4-4-5-5-5-5-7-7-7-7-|
```

Outro: Guy

```
|-----------------------------------------------|
|-----------------------------------------------|
|-----------------------------------------------| Until last time through.
|-----------------------------------------------|
```

```
|-9-9-9-9-11-11-11-11-12-12-12-12-14-14-14-14-|
|---------------------------------------------|
```

Last time through

```
|-14tp-16tp-17tp-22tp-|
|---------------------|
|---------------------|
|---------------------|
|---------------------|
|---------------------|
```

And Ian and guy end on

```
|---|
|---|
|---|
|-4-|
|-4-|
|-2-|
```
