Performed by Sam Palladio
Written by Brett Eldredge and Kim Tribble

F C x2

```
F                              C    F C
You were headed for some border town
F                                C    F C
to find a Spanish rose and settle down

G
You hitched a ride on a southbound
        F
Mexican wind
F         C      F C
Adios old friend

F                             C  F C
I heard you made it far as El Paso
F                                  C  F C
Those Texas rangers would not let it go

G
They tracked you down on the banks
              F
of the Rio Grande
         C      F C
Adios old friend

G
Do angels sing for outlaws
F
I   don t know
G
But I know outlaws pray
      F
And I pray it s so
    C      F C
Old friend
```

```
F                                   C    F C
Outside these bars I hear that mission bell
F                                     C    F C
That hangman waits to send me straight to hell
G                                          F
For this ain t where I thought our trail would end
F         C      F C
Adios old friend

G
Do angels sing for outlaws
F
I   don t know
G
But I know outlaws pray
F
And I pray it s so
    C      F C
Old friend

                         C      F
Maybe we ll one day ride again
          C       F
Adios old friend
          C       F  C
