C                       G       F        G   C
I feel like I died and went to heaven
                                                G         F     G  C
The cupboards are bare but the streets are paved with gold
          G             F      C
I saw a young girl who didn\ t die
          G          F       C
I saw a glimmer from in her eye
           Em                 Am
I saw the distance I saw the past
       F                                          G
And I know I won\ t awaken, it\ s a dream that can last
